

TEACH2 CONNECT

Educator Professional Development

**Space is limited,
apply by 4/30!**

Integrate authentic career connected learning into your classroom by collaborating with an industry mentor, touring a local company, and building your professional network.

Now accepting applications through April 30th for the 2026 - 2027 Cohort!

Program starts in June 2026.

PROGRAM DETAILS

- ✔ **Format:** 1 semester, 9 virtual sessions, 3 on-site meetings (20 STEM clock hours + additional work time)
- ✔ **Audience:** Middle & High School certificated educators
- ✔ **Teacher Stipend:** \$700 upon program completion
- ✔ **Program Deliverable** Infuse career connected learning and industry-relevant examples into curriculum maps, CTE frameworks, or PBL units to complement lessons and practices
